A final note.

If weather conditions are deemed too poor to conduct the class (either not enough snow or severe storm conditions) the workshop will be cancelled and full refunds issued. Or we may move the class to another location.

If you register for the workshop and then find that you cannot attend, please contact us as soon as possible.

Beyond BOW workshops provide opportunities to learn outdoors skills. Workshops are designed especially for women and are an extension of the Becoming an Outdoors-Woman program sponsored by Montana Fish, Wildlife & Parks.

Snowshoeing is the fastest growing winter sport in the world and this is your chance to try it. The BOW program has partnered with the Montana Discovery Foundation to offer a day of snowshoeing and winter discovery. The workshops starts and 9 a.m. and conclude by 4 p.m.

If you can walk. . . you can snowshoe!

For centuries people have been traveling over the snow using “snowshoes.” You’ll learn about the different types of snowshoes and their benefits. You’ll practice walking, learn to travel up-hill, glissade down-hill, walk along a side hill, and navigate a stream crossing.

While practicing your technique we’ll explore the forest around Moose Creek and Upper Ten Mile Creek. A naturalist will share information about the plants, animals and tracks found in the area.

We do the same activities both days. Please choose to attend either Saturday or Sunday, but not both days.

Moose Creek Cabin

The workshop is based out of the historic Moose Creek Ranger Station near Rimini – about 14 miles from Helena. The cabin has been restored and furnished to look like a 1900-era Ranger Station. It’s equipped with a propane cook stove, heating stove and outhouse.

What should I bring?

- ◆ Bring your snowshoes if you have them. If you don’t have any you can borrow a pair of snowshoes from us.
- ◆ Wear warm winter clothes and dress in layers. Don’t forget your hat.
- ◆ Footwear should be sturdy snow boots or insulated hiking or hunting boots.
- ◆ Some people find it helpful to use ski poles while snowshoeing – bring them if you have them.

We’ll provide coffee, tea, water, and a lunch of soup and sandwiches from a local restaurant. If you have any dietary restrictions or medical conditions please note them on your registration form.
